FOR HOME RULE
The Storey County Delegation Un-pledged

The Winnemucca Silver State of Saturday has the following: "Hon. Thos. Wren passed here yesterday homeward bound. He says 'Home Rule and Nevada for Nevadans' is the watchword in western Nevada. The Storey county members of the Legislature say they are not pledged to Stewart or anybody else for Senator, and as the platform on which they were elected pledged them to 'Home Rule,' they are morally bound to support a bona fide resident of the State for Senator, and every member of the Legislature elected at the recent election must do likewise, or virtually violate his pledge and merit the condemnation of every person who believes that party pledges mean something more than deceiving voters.

Mr. Wren expresses himself as being perfectly satisfied that the 'Home Rule' sentiment will prevail in the Legislature, and that no imported candidate will stand a ghost of a show of being elected United States Senator, as neither Republican nor Democrat, who votes for an imported candidate, will dare return to his constituents, and the corporations will not furnish enough money to enable those, if any, who might be disposed to sell, to leave the State."

An Important Ruling

WASHINGTON, Nov. 27.—Secretary Lamar has written a letter to Commissioner Sparks of the General Land Office that will reserve the practice of that bureau in issuing patents for mining claims. It has been the practice of the department, in granting patents covering lode mining claims that interfere with town-site claims, to give the surface improvements and betterments to the town-site claimants. In the case of Deffenbach vs. Hawke, the Supreme Court decided that the fee simple to the ground was indivisible, and included the surface as well as subterranean possessions. On October 25th Commissioner Sparks addressed a letter to Secretary Lamar, stating the practice of the department, citing the decision of the Court, and asking for instructions. The Secretary replies that the decision of the Court must be followed and conveyances made accordingly in lode claims, including the surface improvements.

The Next Senate

WASHINGTON, Nov. 27.—Two Senators from the State of Washington will take their seats in the Fifteenth Congress, if the Democrats care to take advantage of the situation. When the admission of Dakota was being pressed by the Republicans last winter, the Democrats were approached with the proposition to admit Washington at the same time. Bills were passed by the Senate giving both Territories Statehood. Both are now on the House calendar. By the passage of the one affecting Washington during this coming session, the Fifteenth Congress may be in the hands of the Democracy.

The Soldiers' Home.

WASHINGTON, Nov. 27.—From the report of the Board of Commissioners of the Soldiers' Home, it appears that 310 persons were admitted to the Home during the year. Ninety-three inmates were discharged at their own request, five dismissed, thirty suspended and forty-one died. There are now 894 regular and 52 temporary inmates at the Home. The number is larger than ever before accommodated. The cottage formerly occupied by the President as a summer residence has been assigned to the inmates of the Home for occupancy.

It is estimated at the Internal Revenue Bureau that the revenue from the tax on oleomargarine, which went into effect on the 1st instant, will amount to about \$400,000 for the present month.

Appeal. This is not Reno's year for getting anything. If she holds on to her old grabs she will do well.

CLEVELAND ON THE TARIFF

He Thinks the Democracy Cannot Afford to Dodge the Issue.

WASHINGTON, November 27.—In conversation with a friend yesterday, referring to the tariff, the President said: "I don't think Morrison or Randall, or the gentlemen who side with them are in the right line. There is too much politics and not enough industry in the underlying purposes of their scheme. A measure so deeply affecting the economic interests of the Government should be arranged with reference to economic and not political conditions." The President intimated that he would not advise an attempt to pass a tariff bill at the coming session, but would urge the addition of administrative features to the Hewitt bill, as the existing statutes are inadequate in the matter of enforcing the customs laws.

In the course of the conversation the President indicated his purpose to take the tariff question into his own hands and make it an Administration measure. He said: "I have watched the progress of this tariff agitation in the House and perceive that it will be necessary for the Administration to take hold of it. In the present condition of things it is doing the Democratic party great damage by fomenting factional dissensions. By the time the Fifth Congress assembles it is not improbable that the Administration will have a measure to recommend. It will be a measure that will take advanced ground for the Democratic party, and may be the issue of the next campaign. There is a tendency to crowd the tariff question. Therefore instead of dodging and doubling, the Democratic party had better take a stand and test it before the people."

Las Vegas District Fair.—The Susanville Advocate says: At the meeting in Long's Hall last Saturday afternoon for the purpose of discussing the Fair question, committees were appointed to decide upon the necessary measures for holding the District Fair to Susanville. The Chairman, C. McCluskey, appointed the following gentlemen: Long Valley—Ed Ferris, J. W. Doyle, Sierra Valley—J. Dyson, Sierra City—M. H. Mend, Modoc county—F. Cummings and W. H. Patterson, South Fork—S. B. Bayley and Wm. Nelson, Dixie Valley—J. J. Reeves, Big Valley—G. M. Stratton, Plumas county—Chas. Lawrence, S. Lee, Janesville—S. Hoffman, H. H. Daken, Susanville—R. E. Davis. An Artesian Well Committee consisting of J. M. Lenkey, Denis Wood, J. C. Wemple and R. Johnson, was appointed. It was proposed to erect suitable buildings on the grounds of W. P. Hall, near Susanville and sink an artesian well. Now is the time to act if we wish to secure the District Fair next year. This is the place at which it should be held, being most centrally located, and from present indications there but is little doubt that we can obtain it. All that is required is, "a strong pull and a pull altogether." All who can should assist, as it will certainly prove to be a benefit to the entire county. As an earnest of our good will in this matter, if such a thing be necessary, we hold ourselves in readiness to furnish all the printing required, and the use of our advertising columns, free, for the first Fair to be held in Susanville. Let others do half as well in proportion to their means, and the Fair is ours.

A CONSIDERATE POSTMASTER.—The Virginia Chronicle says: "At the recent robbery of the Reno Postoffice, nineteen postal money orders, issued from the office in this city, were included in the plunder secured by the thieves. These orders are worthless to the parties who obtained them. Postmaster Goodman desires to regain possession of the valueless orders, as it will save a vast deal of correspondence and red tape in the settlement of his account with the Government. If the thieves who are in possession of the money orders will return them in an envelope, addressed to the Virginia City Postoffice, the Postmaster promises that no attempt will be made on his part to prosecute them."

R. Porter Ashe's racing stable, consisting of six horses, was sold Saturday at Bay District Park San Francisco. Guenn went to Haggins for \$5,000, and Binnette to Claypole for \$2,500. The remaining four brought \$2,200.

THE TOMB

GROTON.—In Reno, November 28th 1886, John Griefon, aged 17 years and 7 months. The funeral will take place from the Catholic Church this afternoon at 2 o'clock.

TOWN AND COUNTY.

CHENEY-TOLMIE

Cheney-Tolmie concert tonight.
The postoffice will probably be moved into its new quarters to-night.

Con. Virginia went to \$39 yesterday. The others went up in proportion.

The Sentinel hasn't much to say about it, but it is for Alf Doten for Engrossing Clerk of the Senate.

The funeral of John Groton will take place from the Catholic Church this afternoon at 2 o'clock.

Mrs. Ina B. McLane, the mail contractor, arrived from California on yesterday morning's train.

The Daly troupe will give their clever play of "Vacation, or Harvard vs. Yale" at the Theater next Saturday evening.

Read the ad. of the K. of P. grand masquerade ball to be given on New Year's Eve. It will be the finest yet.

A small blaze did a little damage in Douglas Avenue Sunday evening. It was caused by a lamp being tipped over.

A vein of rich ore is alleged to have been developed in the North Star Consolidated Mine, in Hawthorne District, Esmeralda county.

John Mackay, Sam Jones, R. N. Graves and George Lammon arrived from the Bay yesterday morning on their way to the Comstock.

S. M. Jamison moved his dry goods store into the building on the corner of Virginia and Second streets, opposite Charlie Chase's saloon, yesterday.

The bank room in the Odd Fellows' building is being fitted up for the new office. Fred Hagerman will use the front part of the room for a cigar and stationery store.

The Enterprise says: "The heavy frosts have stopped the growth of alfalfa about Reno and the Truckee Meadows. The farmers kept cutting and stacking it all the season, one crop after the other, as long as they could find stacking room, but now they turn their cattle into the fields."

Enterprise. "Mr. Ryland, Superintendent of the United States work in Carson, says that if he received orders to proceed with the Government building he could be getting out rock and so employ a number of men, also that as long as fine weather lasted the work of laying the foundation could proceed, but there is too much red tape with Uncle Sammy, and the election is over."

BISHOP WHITAKER.—Assistant Bishop Whitaker, of the Protestant Episcopal diocese of Philadelphia, began his duties last Sunday and made a most favorable impression. He is a man of commanding presence, says the Inquirer, "with a face and manner expressive of gentleness and benevolence mingled with firmness. His voice is clear-toned and strong, yet profoundly sympathetic, and his style of preaching well deserves the epithet applied to it by a prominent clergyman of the diocese, who described it as apostolic."

THE HINDLEY.—The Walker Lake Bulletin says: "Another body of rich ore has been struck in the Hindley mine near the end, and running into the claim. This is of the same quality as the very rich rock previously extracted and will make a nice lot of dividends. In the meantime the owners have been shipping what they call second-class rock which would be considered as remarkable first-class ore in most mining districts." Harry Cobb, formerly of Carson but now of Dayton, is one of the owners in the mine.

WOMEN'S RELIEF CORPS.—The members of the Women's Relief Corps will meet at their hall over the Congregational Church this afternoon, at 2:30 o'clock. Mrs. Sarah Pratt Carr, Department Inspector, is expected to be present.

CHENEY-TOLMIE CONCERT COMPANY.—The Enterprise of Sunday has the following to say of this first-class Company which will appear at the Theater to-night: "The Cheney Tolmie Concert Company made its first bow at the Opera House last night to a good audience. The performance throughout was one of the pleasantest heard this season and appeared to delight all present. The violin playing by Forest Cheney was artistic to a degree. He plays with consummate grace and skill and seems to have perfect control over his instrument. He is a finished musician; his style is easy and confident; his execution smooth and as spirited, and for so young a man a very superior violinist. He was frequently applauded, and for an encore gave "The Mocking Bird," with variations. That proved the gem of the entertainment and was received by the audience with loud demonstrations of approval. Mr. Robert Tolmie's performance on the piano was admirable and much enjoyed. His method is excellent and his pieces given with depth and expression. Miss Ida Serven rendered her musical monologues very agreeably. She has a fine voice, which she knows how to handle, and is a splendid elocutionist. Her points were delicately made, nor were they lost upon the audience, who applauded well, and her performance throughout left an impression which only art and a charming personality can produce.

In compliance with a general request the company has consented to give one more performance to-morrow (Monday) evening with an entire change of programme. The latter, instead of being entirely classical, will be interspersed with a greater variety of home music, something our people understand better, and which should crowd the house. The company is first class in every respect, and must be heard to be appreciated. The box-sheet is now open. No extra charge for reserved seats."

ORLANDO EVANS, P. M.

ATTEMPTED ROBBERY.—While Officer Mershon was making his rounds through Lincoln Avenue yesterday morning about 2 o'clock he observed the doors in Howard & O'Neil's saloon slightly ajar, and on pushing against them, they swung in, and just then a young tough known as the "Kansas Kid" made his appearance at the door. The officer inquired what was going on inside, and was told they were fixing up some cards for a little game. Mr. Mershon inquired for Charley O'Neil, one of the proprietors, and was informed that he was inside the saloon. He asked the "Kid" to tell O'Neil that he wanted to see him, when the burglar immediately fastened the non doors, and before the officer could run around to the front of the building, he had escaped. Mr. Mershon is certain there were others in the room besides the fellow with whom he talked. The front door of the saloon was found open, and on entering, a lot of burglar's tools which the thieves did not have time to take away, were found.

The Kindergarten Association will meet at Mrs. King's on Thursday Dec. 2d. A full attendance is urgently requested, as important business is to be transacted.

Mrs. R. H. LINDSAY, Pres.

AN OPEN LETTER TO THE PUBLIC.—The Palace Bakery folks do make their candy, and do not import cheap adulterated goods. We commenced candy making 18 months ago, and said then as now, that we don't give up what we once undertake to do. Our candy trade has increased 25 per cent. since, for which we feel thankful to the public. We do not only make candy once a week, but every day in the week, and we will be pleased to show our shop to any one. Our place shall be known after this as the Nevada Cracker and Candy Factory. We sell candy wholesale and retail. Leave your money in Reno, don't send elsewhere. Respectfully,
O. HARTUNG.

FOR SALE.—Mrs. M. J. McGrath desires to sell her ranch near Mill Station, lower end of Washoe Valley. Also all household goods, seventy-five stands of bees, three milch cows, wagons, etc. Everything will be sold at a very reasonable rate.

Advice to Mothers.
Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Lab. 21-NEW-Y.
